Easter – Art session

Liz Goulding a local artist has offered to host a 2.5hr session of art activities for our members 11y+ within the Easter half term, in Newark!

Please email Emma to express interest, then when we know approx. numbers, we can arrange a date!

Young Athletes Programme

The sports sessions run fortnightly with Angela Morley (Secretary of Special Olympics East Midlands) and Clare Pattison at St Christopher's School in Lincoln (LN6 8AR).

Sessions are fun, fully inclusive and are open to all children between ages of 2 – 8years with SEND.

Please contact Emma, Angela or Clare for further information!

Sunday 7th April

Our next stay & play is at Tattershall Farm Park (apologies for having to reschedule this from the 6th April to the 7th April). This is a fabulous place suitable for all weather and has lots of activities including an outdoor play park, trampolines, animals, sand pit, animal handling and indoor soft play!

We really hope you can join us - please email emma.ldssg@gmail.com to confirm your place and indicate numbers attending.

Down's Syndrome Training in Lincolnshire Schools

LDSSG have recently been approached about offering Lincolnshire Schools some professional development training for Teachers and TA's on the topic of 'Educating children with Down's Syndrome'. Following some positive feedback, Myself and [Rachael](#) wondered if anybody would be willing to share some videos/photos that captures your young ones learning.

For example; reading, swimming, playing an instrument, writing, riding a bike etc....

When sending this video we will take that as consent from you to use this in future presentations for staff training.

Please ensure it is just your child featured.

Currently looking for any videos of signing - any age!

Thank you for your support 😊
